WINNER: ☒ ALICE ☐ Bob

SIGNATURES: _____

PLAYER A PLAYER B

1 Player name & goal

Enter the player's name; select 25 (rec) or 50 (pro), or type a custom goal.

3 Record fouls per rack

Type foul count for this rack in the Fouls cell. Bob committed 1 foul in Rack 1.

5 Running total carries down

Cumulative sum of Rack Nets so far. Alice: 5, 8, 13, 19. First to the goal wins.

7 Circle the winner

Only one radio can be selected. Selecting a winner also updates the bracket.

2 Tap balls when pocketed

Filled circle = this player pocketed that ball this rack. Rack 1 shows Alice pocketed 1, 3, 5, 7, 9.

4 Rack Net = Balls – Fouls

Auto-computed per rack per player. Alice R1: 5 balls – 0 fouls = 5. Bob R1: 4 – 1 = 3.

6 Final Total = winning line

The last Running total. Alice finished at 19 net points (goal 25 not reached in demo). Winner is decided by whoever reaches the goal first — in a real match, keep racking.
